Sir:

We gratefully acknowledge the "Notice of Allowance" mailed on October 7, 2009. Internally at Thomson Licensing LLC, as a measure of quality control and prior to paying the Issue Fee on an allowable case, as a matter of policy, we check all the corresponding related applications worldwide to confirm that any documents cited elsewhere in the world were properly cited in the USPTO with an IDS Statement(s) during prosecution. Unfortunately, in this instance, the references cited in a Supplementary European Search Report, dated October 29, 2009, attached, were subsequently received, and, therefore, we wish to file this RCE in order to report the references cited by that communication in an IDS Statement.

Applicants assert that none of the references currently or formerly cited, alone or in combination, disclose the claimed invention nor make it obvious. Therefore, applicants respectfully request consideration of the new references and allowance of the application.
